

TELLER KAMETLER BIRK

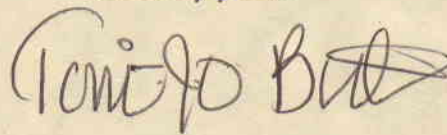

TONI-JO BIRK FOR VILLAGE TRUSTEE

I am running for my second term as your Village Trustee. I have learned a lot about how Village government works these past two years and want to continue to serve you. Some accomplishments I have been involved with are as follows:

- I worked with a great committee seeing the Village's first playground come to fruition.
- I worked with the Town to help with the purchase of the property at 11 Glovers Lane, via Community Preservation Funds. Now the Village has an area located centrally that can be enjoyed by multi-generational residents and visitors alike.
- As police liaison, enacted a schedule policy that continues to give our residents the service and protection they expect from our officers while allowing for officer well being.
- Reviewed and adopted zoning laws that will allow for growth in the future while keeping our small town charm.
- As requested by our residents, holding our Board meetings in the evenings to allow for better attendance which allows for more people to come, thus opening lines of communication between village elected officials and you.

I am asking for your vote on June 20th. If you have any questions that I may answer for you or have any suggestions to keep our village great, please do not hesitate to contact me. I may be reached at 288-5021. Thank you.

Sincerely yours,

JAMES KAMETLER FOR VILLAGE TRUSTEE

I am seeking my third term as your Village Trustee. As in the past, I have kept the interests of the Village residents as my main focus as your elected official. Taxes are always a main concern and I will continue to work diligently to maintain the bottom line. Quality of life issues are another concern that I will work towards maintaining if I am re-elected. The past four years have been a pleasure to serve you, the public, and if re-elected I will continue working to serve our community. In closing, I truly believe the Village is a better place today, than it was four years ago.

If there are any questions that I may be of service to you, please feel free to contact me the Village Hall at 288-1654.

Cordially, 

**VOTE ROW "A" JUNE 20, 2008
